BELLE GLADE'S TWENTY-FIRST BIRTHDAY TO BE CELEBRATED ON SATURDAY

EFS & Loan Assets Pass Two Million Mark In March

Fifteen Year Progress From Initial Assets of \$2,500 Remarkable

In 1933, C. E. Reidel and associates decided that the growing community of Belle Glade needed some aid in financing homes for the many new citizens, as well as erecting some of the old.

With knowledge of the history of Savings & Loan Associations, both in the European Continent and in the U. S., and of the Federal laws to aid such institutions, the group applied for a charter for a Federal Savings & Loan Association. The requirements were a minimum of \$2,500 cash, and the stimulus of loans from the Federal Bank of several times the original cash. Federal supervision and a guarantee to investors up to \$5,000, further strengthened the attractiveness of the investment.

Just to show the Federal Bank officials that they weren't kidding, the local boys said "We have got \$2500 on hand this thing." They got an official charter, which now hangs in its office, and in January of 1934, continued on page 3.

Presbyterian Church

The Presbyterian church will have a Palm Sunday service at 11 a. m. with Rev. Preson Phillips sermon topic "A Detail on the Road to the Cross." Special music will be rendered by Mrs. David L. Stoddard. At 9 p. m., a Communion service will be held.

FUNERAL SERVICE FOR MRS. BERTHA BARNES

A well known pioneer resident, Mrs. Bertha Barnes, 66, passed away Friday following an illness of two days, while being rushed to a hospital in Kissimmee from her home in Holopaw.

She was born in Hewins, Kansas, coming here in 1916 where she made her home until a few years ago.

Funeral services were held here Sunday afternoon at the Community Methodist church with Rev. Leonard Vandewater officiating. Burial will be in Woodlawn Cemetery in West Palm Beach with Berry's Funeral Home in charge. Surviving were Arnold Hudson, Arthur Wells, Max Harrell, Ferman Denney, C. Allen and Ivan Van Horn.

Survivors are the husband, H. E. Barnes, one daughter, Mrs. C. E. Betner, and three sons, four granddaughters and four great grandchildren.

PAR-TEE LINE

The lucky dance Saturday night proved to be quite a success. The costumes certainly added to the occasion. The prizes were awarded to Mrs. Don Aspey and Roy Blair.

The Goody Foot Tournament was also lots of fun. Marjorie Clause had high score, Ruth Miller, second low and Ruby Kirk, low. In the male's division Earl Andrews had high score, H. R. Hitchcock second low and J. W. Mosley low.

The prizes were donated by the following merchants, Sullivan's Pharmacy, Glades Drug Store, Murphy's Pharmacy, Kahn's Dept. Store, Boe's in Pahokee and Sinclair-Kirchman.

After the tournament a hot luck supper was enjoyed by members and their guests. Mr. and Mrs. Jack McCall, Vice the week and guests of Mr. and Mrs. C. J. Aspey, Mr. and Mrs. McCall were a former pro here.

Lt. Col. and Mrs. C. V. Denton were guests of Mr. and Mrs. Earl Lindstrom at the dance Saturday night.

DR. C. T. BUSH TELLS ROYALTY OF WORK IN OUR MILK PRODUCTS SUPPLY

As a member of the Palm Beach County Health Unit in charge of milk products, Dr. C. T. Bush, told Rotarians about his efforts to insure healthful source of supply.

Dr. Bush complimented the three large dairy processing plants in the county for having the most modern and efficient equipment and methods of handling our milk products.

"These fields of green grass in the Glades are very encouraging to me, as our east coast dairies must buy practically all the feed the dairy cows get. The dry weather and frost has about killed all grass we have."

"Several former sources of milk for the county, both as milk products that he himself would like to use as well as that he wants his children to use."

Rice growing commonly associated with paddies of the low countries, grows in the Glades on high dry land; 75 acres is being produced now at the Prison Farm located at Belle Glade, with an estimated wholesale of \$18,975.

According to Captain "Buzz" Granger, Superintendent, the plantings over several years have resulted in average yields of approximately ten per cent, minimum, of edible rice, which is used to feed prisoners at the local farm and Railroad, as well as for other State institutions.

The grains are planted with grain drills in rows 30 inches apart and about four to six inches in the drill; ordinary fertilizers are used and cultivation is carried on similar to other grain crops.

Harvesting and bagging is done by a combine perfected by the Prison Farm and husking, all by prison labor. The problem confronting the local farm is storage, as the bagged and husked rice must be kept in a cool room to prevent weevils, as in other grains.

McDonald Wins March Contest

C. W. McDonald's seven and three quarter black bass was the winner of the pariah and Davis fish contest for the month of March. The April contest is now on. Fishermen report the lake waters muddy and fishing nothing at its best.

New Officers Take Over Stations In Local Elks Lodge

Lodge Makes Impressive Record Under L. C. Betner As Exalted Ruler

On the night of installation of officers in an Elks lodge, officials and committee chairmen always present reports of their work of the year in order to let members know what has been performed and accomplished during the year. Such reports were made at the Belle Glade lodge at its Monday night session and it was amazing what had been done in the various activities.

They were reports which the officers and lodge could be more than proud. These activities include charitable donations, public celebrations of Flag and Mother's Day, ladies nights, banquets, and many class initiatives for new members. The membership as of April 1, showed there to be 225 members on the roster. Progress under the Exalted Rulership (Continued on Page Four)

Food School Was Largely Attended And Big Success

Some 80 persons from the lake region embraced the opportunity three days last week, Tuesday thru Thursday, at the Everglades theatre building, to attend the Food Handler's school sponsored by the State Board of Health, the Palm Beach County Board of Health, the Florida Hotel Commission and the Florida Restaurant Association. Just this spring Florida state held from 9 to 11 and 3 to 5 and those attending did not find a single dull moment, for they were being schooled in the proper sanitation and health handling of foods and the preservation of same. At the close of the school all attendees were given personal certificates of proficiency along the line for which the school was conducted.

Ed Humphries, chairman of the Chamber of Commerce for this school, the local sponsor, stated that he was much pleased and pleased over the attendance and the success of the school and that everyone present was pleased with what had been taught during the course of study. Great benefit was derived concerning types of foods, their care to reaching the household and the manner of refrigeration for all locations, storehouse, stove or home.

Another school will be held somewhere in the Glades at its best.

Rams Lose Out To Lake Worth In a Pitcher's Battle

If you don't hit safely to get on bases in a baseball game, you're not playing the game.

That was the theme of the game between the Lake Worth Trojans and the Belle Glade Rams in their contest at Memorial Field Friday afternoon, April 1st, which was won by the visitors 1-0. The Rams lost three losses in a row for the local team.

Jacobs, for the Trojans, looked and acted like a pitcher and he held our Rams to one lone bludge and struck out 16 of 20 batters. Billy Joe Leathers was the only player who got a chance hit off the big fellow.

Continued on page 5

Prepare Ahead For Flood Period To Save Heavy Losses

The present temporary freedom from flood and drought distress may be hulling the public into an attitude of false security, despite the fact that Florida stood on the brink of a devastating drought this spring, the State Division of Water Survey and Research warned this week.

"Nobody knows at this date what the summer and fall will bring in the way of rain, hurricane and flood," the Chief Engineer of the Division, Col. A. G. Matthews, declared.

"Just this spring Florida stood on the brink of drought disaster," Matthews emphasized.

"The farther we are from a flood either in time or distance," he continued, "the less acute its ravages appear to the individual citizen even though that citizen is paying directly or indirectly for a drought or flood that occurred as long ago as two, five or ten years, and a hundred miles or more from the scene of his own operations."

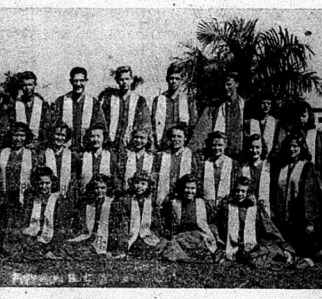

However, when a flood overwhelms fields, groves, pastures, woodlands and dwellings, the problem becomes devastating to the thousands of people who are flooded out, and there is a tumultuous fury to do something about it which is too late.

"It is much better business to anticipate the dangers and damages, and construct the control works before disaster strikes."

Two Pahokese Laid Drown In Shallow Canal Dredging

On Sunday morning, Mr. and Mrs. C. E. Dickerson, of Pahokee, with their three children, went to the Niblock farm on the Indiantown road where the father is employed to spend the day.

The parents fished up fishing to help for their two sons, Charles and Henry, 5 and 7, and left them on the bank of a lateral canal while they went to a nearby field to pick strawberries. Shortly after leaving the lake the father looked over the boys and did not see them. He ran to the canal bank and could see their bodies in the shallow water.

BELLE GLADE HIGH SCHOOL GLEE CLUB

First row—left to right, Wyline Collins, Dorothy Buckles, Liska Humphries, Jackie Royals, Betty Jean Harris, Carolyn Earwood.

Second row—left to right, Ann Bass, Margene Mathewson, Bonnie Williams, Donna Norris, Doris Martin, Carolyn Gato, Paul Ingram, Dorothy Kidder, Mary Lois Hodges, Verna Martin, Peggy Ann Keller.

Third row—left to right, Marianne Womack, Betty Ann Markham, Merton Rashley, Jimmy Reaser, Billy Mathis, Clark Womack, Jerry Burry, Walter Schlechter, Dorothy Yarbrough, Cleinda Poole.

Scout Leaders Take Pledge To Support Crusade

Three Scouts from Troop 23 received awards at Asopical Court of Honor held at the South Glades District's "Torch Lighting Ceremony" Thursday night.

The Scouts were Fred LeFila, First Class and two merit badges; Peter Kelly, Second Class award; and Billy Elder, initiated as a Tenderfoot. Awards were made by Tom Bregger.

The occasion of the "Torch Lighting Ceremony" was the launching of the Boy Scout's "40th Anniversary Crusade" to strengthen Scouting and the "Arm Liberty" torch carried by the "Goddess of Liberty," Miss Boots Young was symbolic of the one handed down from national to state to council units of the BSA.

The District Committeemen and troop leaders who took the pledge to support the Crusade were: Bill Young, Bill Elder, Henry Earwood, Jack Johnson, Tom Bregger, Tom Watson, Roscoe Braddock, Jack Murray, Eric Pennington, Max Glenn, Ralph Johnson and D. B. Mathis.

Tom Watson, Jr., was the main speaker on the program. His topic was the Crusade, both past and present and the value of the Scout program. The program included demonstrations of Scoutcraft and Cub games. Program arrangements and planning was done by Bill Young with the assistance of Bill Nexsen, assistant Scout executive of the Gulfstream Council.

Local Semi-Pros. Takes A Victory From Okeechobee

When Captain Dorey Pugh put his Belle Glade Independents on the field at Memorial Park Sunday afternoon against the Okeechobee Catfish, it took one back to 1945-46.

The locals were in cast-off Golden Ram uniforms and there were George Williams and J. T. Harrell as the battery men and several other of the old Rams in other positions. Owing to the field at Okeechobee not being completed, this league game was transferred to Belle Glade.

Both Okeechobee and Belle Glade were late applicants for membership in the Coast-Glades semi-pro league and both have posted their entry fee and await league action.

Both teams were nearly in a huddle already on hand," says Williams, in addition to the one error being made while Okeechobee bobbled five times.

Williams pitched the first six innings and was nearly in a huddle already on hand," says Williams, in addition to the one error being made while Okeechobee bobbled five times.

The idea is to get these groups which have state corporation charters, permitting them to help or be sponsored by public entertainment affairs, namely, The Everglades Fair Association, the Veterans of Foreign Wars Association and the Glades Civic League, with the Lions Club acting as an independent agency for its club members.

Thousands Paid Back On Over Charge Rentals

In highlighting the activity for the past 12 months the Area Rent Office in West Palm Beach has had a pretty full program under the 1948 Housing and Rent act.

The office covers the entire County of Palm Beach and the landlords filed 641 petitions representing various adjustment sections. One petition on operations at a loss; 19 hardship; 4 of these were on the short form and 19 on the long form. The short form in the Aune Lake form which has been referred to in equipment, furniture or services; 31 on increased occupancy; 131 on increased occupancy; 25 other which were referred to other sections of the adjustment provision for a total of 589 petitions being denied.

The office has had activities in other phases of the program which include 48 complaints from tenants, 103 tenants received refunds totaling \$12,594.00. Units checked to represent a 2.3 per cent evictions that the office was able to stop amounted to \$2.65. 6,129 pieces of mail were received while landlords, tenants and other interested parties visited the area office representing \$727 plus 10,657 telephone calls. This represents a great service to the landlords and tenants in this community.

Merchants Desire But One Big Show As Spring Fete

Herman Close, chairman of the Merchant's Division of the Chamber of Commerce, stated that as a result of a conference on last Thursday night in relation to public amusements in Belle Glade, it was decided that it would ask the City Commission to pass an ordinance which would permit but one fair, carnival or show to exhibit in the city, during any one year.

At present there are three groups which have state corporation charters, permitting them to help or be sponsored by public entertainment affairs, namely, The Everglades Fair Association, the Veterans of Foreign Wars Association and the Glades Civic League, with the Lions Club acting as an independent agency for its club members.

The idea is to get these groups which have state corporation charters, permitting them to help or be sponsored by public entertainment affairs, namely, The Everglades Fair Association, the Veterans of Foreign Wars Association and the Glades Civic League, with the Lions Club acting as an independent agency for its club members.

Inter-racial Committee To Present Historical Review Of Progress

MRS. MARGARET ROYALS

Margaret Royals Worthy Matron

Mrs. Margaret Royals and M. A. Murphy, Sr., were installed as Worthy Matron and Patron respectively at the installation service of the Order of Eastern Star, held in the Paul Jones building. After discussing the eighth day's trip, a plan for the hamlet was discussed. A visitor, an newspaper man, this said, remarked "Well, this site Continued on page 3"

The meeting was called to order by Mrs. Sally Stein and Joe Cherry, outgoing Worthy Matron and Patron, and Mrs. Stein introduced the installing officers. They were Mrs. Naomi Dull, Worthy Matron of the Clouston Chapter; Mrs. Bess Lyons and Mrs. Helen Mena, both past Worthy Matrons of this Chapter; and Mrs. Dorothy Graham, Past Matron of Pahokee.

Other officers installed were: Mrs. Mary Schlechter, Associate Matron; Walter Schlechter, Associate Patron; Mrs. Sally Stein, Secretary; Mrs. Gladys McDonald, Treasurer; Mrs. Arthur Lee Maynard, Conductress; Mrs. Gladys Williams, Associate Conductor; Mrs. Dorothy Scarborough, Chaplain; Mrs. Hazel Connell's Warehouse Sale

When Shelley Connell went to his warehouse around 9:30 Sunday morning the first thing he discovered was that he had been visited by uninvited persons during the night. His eye fell on a sizeable hole cut through the aluminum metal sheathing through which the invaders made entrance.

Connell called the police, both city and district, who made a thorough inspection. The screen was on the office door had been cut and torn open. Connell is satisfied that the invaders were after money contained in the heavy safe. The safe had been worked on but was in no wise damaged. Its contents were found all safe.

An antiquated Cold service gun kept in a desk drawer was the only thing missing. If any beer or wine was taken it was in very small quantities.

Naval Reserves Receive Supply New Equipment

Lt. Commander W. F. Thomas, Commanding Officer of the local unit of the Naval Reserves, announces that he has received a variety of radio and electronic equipment for use here from the Commandant. Sixth Naval District.

With this equipment and the already on hand," says Williams, in addition to the one error being made while Okeechobee bobbled five times.

Williams pitched the first six innings and was nearly in a huddle already on hand," says Williams, in addition to the one error being made while Okeechobee bobbled five times.

Muddy Hamlet Of April 10th, 1928, Now Second City Of County

Twenty-one years old Sunday, April 10th, 1949, Belle Glade has advanced its official birth to justify the remark which brought about its name. Old Times; Walter Greer, its first Mayor; C. E. Reidel, owner of the original Townsite and center of activity at its birth. Louis Betner, purveyor of hardware, Mr. and Mrs. Ross Winn, Island homesteaders, I. W. West, pioneer merchant and Lawrence Will, filling station operator, all agree on the origin of the name Belle Glade.

In the early days—around '24 or '25—when the only means of transportation from and to the outside world, was by boat, a party from West Palm Beach visited the southeast shores of the Lake and returned to the eighth day's trip, a plan for the hamlet was discussed. A visitor, an newspaper man, this said, remarked "Well, this site Continued on page 3"

WAR SURPLUS AIRFIELD EQUIPMENT FOUND USEFUL BY GLADES CATTLEMEN

John Tabit, local cattleman has acquired some 12,000 pieces of 3x12 feet of steel matting used at the Clewiston Riddle Field and is offering some of it to Glades cattlemen.

Cattlemen throughout the State where there were many of these wartime training fields, have from West Palm Beach for this matting. Each mat is 3x12 feet and is made of welded steel rods. It is used for painting these mats extra fine fences, gates, etc., and provide a strong durable fence.

Jr.-Sr. Prom Has Mardi Gras Theme

The leading social event of the year for high school students, The Junior-Senior Prom, was held in the Auditorium on Friday evening. This affair is given annually by the Junior class honoring the seniors and is climaxed by weeks of planning and preparation.

As the guests entered, they were immediately transformed into a midst of a New Orleans Mardi Gras atmosphere. The ceiling was camouflaged with chimes cloth dotted with gold.

OBSERVATION and Comment

By John M. Gladhill

Those who attended the Boy Scout camp at the Legion Hall last Thursday night, were well repaid for their time as the youth of the troops certainly did put on an impressive show and demonstration of their training. The foundation for better character education and physical building that these lads receive sure will be of unestimated value to them in their after life. Scout leaders teach them many things which would not be obtained in their customary run of day by day life.

The local Masonic lodge some years ago had charge of the corner stone laying for the present high school building and preparations being made to require the same. The lodge, master of the lodge, has prepared a history of the corner stone laying in Belle Glade which will Continued on page 7

MERCHANTS DESIRE

Continued from page 1

to get together and sponsor some well worthwhile attraction for a week's stand and the net proceeds to be apportioned among the contributing interests rather than have four carnivals, which are not of much value, except to take money out of the Glades at inopportune periods.

Plans would be made to have the flea week some time later in the spring when the harvest season is coming to an end.

Interested parties to the deal will be held prior to the drawing up of a tentative ordinance to the commission.

Veterans of Foreign Wars Celebrate Anniversary

The Veterans of Foreign Wars which was established 50 years ago, this week is celebrating its Golden Anniversary. Its membership is composed of men who have served in the armed forces of either World War conflicts. It has had a phenomenal growth in the past three years, as also its Women's Auxiliaries. Belle Glade has a growing Post and Auxiliary of the order.

Local Students Take Part in Spelling Bee

Prior to entering the Miami Herald spelling contest an elite of the state of Florida which consisted of April 1949 spelling bee will be made for the purpose of selecting the winners of the contest.

The contest will be held at the state of Florida, which is composed of the counties of Duval, Alachua, and Santa Fe, is hereby giving notice of its intention to apply for a change of special or local legislation.

ONE BLOCK NORTH OF CANAL BRIDGE
IN BELLE GLADE

SOUTH BAY BEAN CITY LAKE HARBOR

Mr. and Mrs. Andrew Nick have as a house guest his cousin Nick Haspas of Dunkirk, N. Y. The two cousins have not met since they left Greece in 1910. Mr. Haspas owns and operates three restaurants in New York.

Kenneth Warren and Charles Byrd made a trip to St. Louis with a truck load of cattle for W. P. Hill.

Fred Sisley has returned to Charleroi, Pa., after spending the winter in South Bay. Mrs. Sisley, who teaches in the Lake Harbor schools, and her son, Freddie, who attends school in South Bay, will remain here until school is out.

Mrs. Joe Wall is visiting a sister at Plant City and returning from a recent illness.

O. B. Cook has been taken to Pratt General Hospital in Coral Gables for what was feared to be a ruptured appendix.

Richard Byrd is home on a five day furlough from the base in Louisiana.

E. B. Clark of North Norwich, N. Y., and Rocco Montano of Utica, N. Y., were recent guests of Mr. and Mrs. Mark Challancin. They spent a week end at Havana, Cuba, before returning to their homes.

Mr. and Mrs. Leland Hardy are expected home soon from New Orleans where he has been attending Tulane University. They will occupy his father's home in South Bay.

The South Bay fire department has received new hose and other equipment to add to the efficiency of their fire fighting apparatus.

Quentin Starling Dies At Albuquerque, N. M.

N. N. Starling has returned home from Albuquerque, N. M., where he was called by the illness and death of his son, Quentin. Quentin Starling, age 41, was engaged in the produce business at Albuquerque when taken ill. He was a native of Hahira, Ga. He had made his home in Belle Glade for many years and had a host of friends in the Glades.

Survivors are his wife, Dettie Starling and son, David, age 14, of Key West, his mother Mrs. Maude Starling of St. Petersburg and his father N. N. Starling of Belle Glade.

Funeral services were conducted at St. Petersburg on Thursday afternoon, the Wilhelm Funeral Home in charge.

Rev. Kalarid Guest Speaker At South Bay Baptist Church

A former missionary to the Balkans, Rev. Kalarid, now pastor of a Baptist church in New Jersey, was a guest speaker at the South Bay Baptist church Sunday evening and presented stereoscopic pictures of Macedonia and Greece where the Apostle Paul did much of his missionary work.

The Women's Bible Class will entertain the Mens Bible Class at a chicken supper at the Recreation Hall on Friday night and all members of the two classes officers and teachers of the Sunday School are expected to attend.

South Bay Council Passes Three Cent Cigarette Tax

The South Bay Town Council unanimously passed an ordinance recently laying a three cent excise tax on cigarettes. Funds obtained from this tax are to be placed in a General Improvement Fund and it was agreed that it would be used for street paving, parks, fire department or for some emergency such as mosquito control or some disaster.

According to the ordinance the tax was to take effect April 1, but owing to the difficulty in securing stamps in time for that date merchants are being permitted to sell unstamped packages up to Friday, April 8. On that date all packages sold must carry the proper stamps and any unsold packages must be either turned back to the wholesale house or stamped.

All wholesale houses known to sell in South Bay have been notified and are cooperating.

Linda Fisher Has A Birthday

Linda Fisher was complimented at a party at the Kindergarten room Friday afternoon in honor of her fourth birthday by her mother, Mrs. R. G. Fisher, assisted by Miss Myrtice Gilman, kindergarten teacher.

The children were entertained with singing games and a colored movie picture was taken of the group as play by Mrs.

Fisher.

Ice cream, cake and orange juice were served to Linda Fisher, Sharon Kendall, Sandra Cooper, Ginger Critchfield, Linda and Bunny Leatherlean, Mary Mathewson, Richie Herring, Kenneth Ward, Dick and Dan Willis, Buzzy Fischer, Daphne and Mary Lou Henderson, Margaret Thames, Gloria Greer, Michael Wheeler, Robert and Sharon Roberts, Mrs. F. B. Willis, Mrs. Melvin Herring, Mrs. I. P. Roberts and Mrs. W. H. Thames.

Johnson-Jones

The South Bay Baptist parsonage was the scene of the marriage of Miss Helen Vonelle Johnson of Jones and Obet Sylvester Jones of Belle Glade Saturday, March 26. They were attended by her sister-in-law, Mrs. Franklin Johnson as matron of honor and her brother, Franklin Johnson as best man. They were united in marriage by Rev. B. Oswald. The bride wore a white gaberdine suit, white hat and a corsage of gardenias. She is a native of Florida.

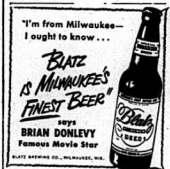

The bride groom is a native of Hendersonville, N. C., but has made his home in the Glades for some time. He is in the employ of Larry Nash.

The young couple have rooms at the Edwin Best home in Belle Glade.

Barbara Jean Willis Honored On Birthday

Mrs. E. M. Willis of South Bay entertained a group of children at a weiner roast and cootie party Friday evening honoring her daughter, Barbara Jean on her tenth birthday.

Guests were Josephine Martin, Jackie Mutchler, Lucy Pearl Kelsoe, Carol Jean, Jerry and Kenneth Ward, Ronnie Bowen, Yonne Morey, Barbara Jean and Johnny Willis.

OBSERVATIONS

Continued from page 1
be deposited in the corner box, along with many other historical papers. It is expected that a large gathering of the Masonic craft will gather here for these impressive ceremonies.

Our crop dusters have added a piece of new apparatus to their planes in the shape of Klaxon horns, which are used in endeavor to scare and chase away the corn eating blackbirds. The birds are making it costly for corn raisers.

Bill Graber can now give a good account of how to feel to

have a plane propeller fly off an airplane in mid air and have to pick a landing place right quick. Took and did expert like Bob Daddon to take the plane out of the rough field.

Last week in this column I used the quotation "Cleanliness is next to Godliness" and credited it to the Holy Bible. Our astute friend Hugh J. Bratley sent us a note saying that it did not come from the Bible, but rather from Shakespeare. Well, as this gentleman is a student of both the Bible and the works of the English bard, and I am not in position to deny his statement, we will just leave it to students to discuss.

Run short of lighter fluid Sunday morning and there was where I got into trouble. Desk Sargeant Funk, with a twinkle in his eye, handed me a can of the stuff and I filed up. The rest of the day I smelt like a perfume and oil factory combined and many friends shied away from me as if I never had a bath. Thanks, sarge, I'll not soon forget your joke.

If Tom Forsee, when he assumes the Rotary presidency, can't get order any other way, he can quiet the bunnies with one of his songs, for which he is noted.

David Stoddard, Junius Harris, William Wooten, Emmett Roberts, Ed. M. Lively, C. A. Chase and J. T. Moon, who are reservists in the National Forces, are booked to attend conferences in Orlando this month. Here they will be briefed in the latest of service requirement and techniques.

What has been procured under the Educational Foundation for Florida schools, and this country in particular, was graphically told by Superintendent of Public Instruction, Howell Watkins, to the Belle Glade Lions. He stated that the scholastic requirements brought in better qualified instructors who

had collegiate and university degrees for holding the entire positions, and caused the entire teaching staff to better prepare themselves for their work. That from the capital savings fund, the board had been able to save funds for the erection of the new Boynton-DeRay high school building and the improvement to many other school properties. From this source other school would be erected within the near future. He was proud of the Junior Colleges of the state at Pensacola, Marianna, St. Petersburg and West Palm Beach, which were filling a gap which existed between the High School and Colleges. He cited the local college to be at the head of the system. Seventeen thousand youth are enrolled in the public schools of the county this year and expectations are the number in 49-50 will be at least a thousand larger. To provide facilities for this enrollment is a problem causing much study and preparation.

Mr. Watkins intimated that next year a new department would be added to the system in Consultation Educational Department, which is having a big sweep and growing in popularity over the states. Through its means young people are tested and aided in selecting the line of work they desire to receive instruction and in which they are interested. Under this division of education, manual and physical work will predominate over the book learning. High schools are now the school of all the people and not alone for those seeking professional or higher educational standing, as they were prior to 1890. One to be successful these days must at least have a high school education.

All city officials, in all the main departments, are working to one end, and that is to see that fire, sanitary and public buildings, business blocks and tenements are in a presentable and safe condition. With improved conditions the officials hope to impress the inspectors of the Southern Underwriters when they come for a city wide inspection, that this city is due for a decrease in fire insurance rates. With all improvements made, new equipment added, better fire fighting facilities and improved sanitary conditions, at least some premium rate changes are expected.

Local white base ball fans are looking forward to some good Sunday afternoon entertainment this summer when the local team of the Coast-Glades league plays at home. If the team gets the same support that the soft ball games did last year, patronage should be good. Belle Glade and Pahokee in combination can field an excellent team in favorable comparison to the other seven teams of the league. Let's give this promotion a boost by attending home games.

When the Odd Fellows forces convene in West Palm Beach the middle of April, for their department conventions, it will bring in around 2000 visitors. Outside the convention business there is always a round of banquets, dances and other outside entertainment and the Palm Beach committee has arranged a generous supply of these outside activities. Reports to be submitted will show that there has been a respectful gain in membership the past year in all departments of the lodge. E. C. Thompson, of Ft. Lauderdale is the Grand Master of the Grand Lodge and Mrs. Thelma Dawson, of West Palm Beach, is the Department President of the Ladies of the Patriarchal Militants.

Four years have now passed since the Observation and Comment column was introduced into the reading matter of the Belle Glade Herald, altho the writer has been conducting the column for more than 40 years in other papers. We hope that the readers have found some entertaining and information in reading the various comments that have been made in the column.

Our old friend Judge George Hubbell, long has operated a queer matrimonial agency here in Belle Glade and he has married hundreds of both white and colored couples. See where a Justice of the Peace in Pennsylvania is "copping" some of his stuff and going a bit beyond the offerings of the local notary public. Judge, you had better be looking after and protecting that child born out of your versatile brain.

There is one thing that the City Commission can point to with pride, and that is that the city is operating on a current cash basis. This commission knowing more funds would be needed than could be provided by the last regular budget, began looking around for new sources of revenue, and so far they have found two which will mean around \$60,000 in future years. One was the re-negotiation of the Utility tax, and

the second was a tax on cigarettes pretty busy and thorough in his pretty busy and thorough in his checking of occupational licenses, and as a result many more such permits have been issued than in the past. The city is also securing something for the expenditures it is making for general improvements. The rocking of the premises around the police headquarters is proving decided convenience for the city hall and police department employees. No more mud and dust and a solid solid base on which to drive.

The National Education Committee of the Elks lodge has prepared several very fine educational and patriotic films, which are being released to local lodges for their educational programs. One of them, "The Power of our Nation", will soon be shown in Belle Glade, either at the lodge session or a public presentation. The picture has drawn high praises where it has been exhibited.

The State of Florida, through its various agencies, is not being penurious about the support which it is giving its citizenship in the way of public health, education and farm aid. First, we have the Farm Experiment station, which is in agricultural and home demonstration workers, the Four H Club Boys and Girls, the Future Farmers of America, Conservation workers in fire, game, forestry and natural resources, see that our offenders against the laws are imprisoned and used for work at the various prisons and road compounds; look after the insane, our tuberculosis victims, cancer patients, crippled children, see that we have improved and safe highways, hit the mosquitoes, a knock out blow, aid to the blind, indigent and underprivileged citizens. Figure up what the cost of the services are and must be and that tells a part of the story why the state seems to be hard up financially, and crying for the need of more tax monies.

FARMERS!
WE HAVE TO HARVEST SUNFLOWERS ON SHOPS, and will reward you if you wish. Better deals are active here.

RAMS LOSE
(Continued From Page 1)
Tommy Williams did not allow many more hits, holding the visitors number down to two clean hits, with another one that might have been a single, but was marked as an error by the local official scorer.

Selfert got a walk, stole second, took third on a wild pitch and came home on Bie's single

to center field. The Rams got one man as far as third base but he could not score. Peacock got a double but was nipped at home plate. Harry Doggett, the Ram's catcher split a finger in the fourth inning and had to retire. Burke and Farmer filled in at that position and the change somewhat handicapped Williams' effectiveness.

The Rams pulled a double play in the first inning, and Winne pulled a spectacular catch in center in the fifth inning, which cut off two scores for the Trojans.

The Rams play the Delray team at Memorial field today at 4 o'clock.

Lake Worth 0001 000—1 2 1

Belle Glade 0000 000—0 1 2

Summary: Lake Worth, Jacobs and Murphy; Rams, Williams, Doggett, Burke and Farmer; Struck out by Jacobs 10; Williams 4; base on balls, Jacobs 2; Williams 2; wild pitches Williams 4; double play, McCloud, Farmer and Leathers; two base hit, Peacock, McPhee; Mosley and Eggleston.

VETERANS ON-JOB TRAINING

All P. L. 346 on-the-job trainees will be required to submit form 1005, "Monthly Report of Training," direct to the State Department of Education Supervisor, 815 Gardella Street, West Palm Beach, by the first of each month.

Announcement is being made in a news release in the next few days. It will say in part that and form (7-1005) is being done away with and no longer be used. This is true but the State Department of Education will still require them for their use. The 1905s will be supplemented in the near future by a State Form.

The Veterans Administration will continue to require the "Report of Compensation Form Productive Labor" every four months, but do not submit this form until you have been requested to do so by the V. A. If the veteran or trainee has any question concerning this subject it is requested that you contact your local Veterans Service Officer.

LOCAL SEMI-PRO

Continued from page 1 but was erratic and wild, although he did not allow any scoring and the locals applied the whitewash to the visitors by the score of 10 to 0.

Had Don Robertson, a big left hander, gone into the game earlier for Okechobee the score might have been different for he did not permit a hit or score and fanned five. He will be watching in the future.

B. Glade 028 028 000—10 9 1

Okechobee 000 000 000—0 4 5

Summary—Batteries, Independents, Williams and Harrell; Okechobee, Watford, Slinkin, Robertson and McDougal.

Struck out, Williams 9, Harrell 3, Watford 5, Slinkin 2, Robertson 4; base on balls, Williams 1, Harrell 3; Two base hits, Cherry and Crosby; Umpires, Herring, Bearden, McDonald and Richmond.

VFW Will Install Officers Night of April 11

Belle Glade Post and Auxiliary, No. 1181, Veterans of Foreign Wars, are to have an open house social for the members and families at the "Club" house on the evening of April 11th at 8 o'clock which will be in the form of a box social. Each lady will bring her "box" with sufficient food for at least two persons which will be auctioned off to the highest bidder.

Arrangements are being made for the joint installation of the Post and Auxiliary officers on the evening of April 21st, which time there will be visitation from Department officers and other District visitors. Department Commander Herbert Evans will install the Post officers and Mrs. Nanette Lawrey will install the Auxiliary officers. Those of the women's organization, Place of holding these ceremonies has not yet been determined.

Harvesting Fine Squash

Davidson and Padgett, local farmers, are now harvesting a satisfactory crop of long green squash off acreage located just south of the south city limits. This particular type of squash are most desirable to the taste and make a fine table commodity. The Padgett Farmers of the area are also cleaning some of their from the planted crop. The city boys are getting their share in a prime condition for export to the So. Fla. Florida Stock show at the Experiment Station on April 19-20.

State Service Officer To Visit Glades Area

All veterans and or their dependents who have problems or questions to ask concerning their military service to pension, compensation or insurance can contact Mr. M. E. Penton, State Service Officer who will be in Pahokee at the city hall next Thursday afternoon and in Belle Glade at their office in the Sanders Building on Friday, April 15.

This service includes assistance to employers of veterans under the "G. I. Bill," schooling, subsistence, insurance, etc.

"I'm from Milwaukee I ought to know..."

BUTZ IS MILWAUKEE'S FINEST BEER

BY GENE RAYMOND

ST. LOUIS, MO., APRIL 8, 1949

Chief Architect Here To Consult On New Bank House Building

Chief Architect Nobles, of the Bank Building and Equipment Co. of St. Louis, Mo., made a business trip to Belle Glade last week for consultation with the Board of Directors of the Everglades Federal Savings & Loan Co., in regards to the latter's plans for its new bank block. The St. Louis firm drew and their plans were accepted by the local corporation, subject to some changes.

The bank expects to submit plans for bids within the very near future, so that the structure may be up and ready for use by the opening of the fall business season.

Mr. Bratley states that he was happy and also disappointed. Happy that the bank shows continued progress but sorry in not reaching at the end of the quarter a desired goal as to assets and liabilities of the two million dollar deposit of less than \$5,000 would have met that figure as all he could total was \$1,995,163.57.

Cutting Scraps Causes Near Riot At Bryant Early Sunday Morning

The first serious trouble to occur at the Bryant Station of the United States Sugar Corporation in a score of years, broke out on Sunday morning and for a time things looked serious, until law officers arrived and quelled the uprising.

A Jamaican and an Antigua boy involved in a quarrel during the fight which ensued the Jamaican had an arm severed with a cane knife. The assailant fortunately made his escape, but the house in which he was supposed to have hidden, received pretty rough treatment during the invading search, as his countrymen and friends had blood in their eye.

NAVAL RESERVES

(Continued from page 1)

personnel Any ex-service man may take up this study at whatever point he has reached and youngsters who are interested may learn from the beginning.

The group meets every Monday night from eight to ten at the Experiment Station, where the equipment and officers are located.

Commander Thames may be reached at the Experiment Station or at Unit Headquarters.

This unit proved very valuable receiving and interpreting hurricane information last year during the hurricane season, and with the additional equipment this service is expected to be broadened.

Radar equipment is one of the things expected by the unit. Though not yet officially recognized by the Weather Bureau, radar found the lost hurricanes by pin-point coordinates during '48.
